TO: All Advocates/Members of the Bar,

Invitation For Sponsorship for Tripartite Bar Games 2023

On behalf of the Advocates Association of Sarawak, Bintulu Branch, I have great pleasure to announce that the 2023 Tripartite Bar Games will be held at Kelab Kidurong Bintulu, Bintulu, Sarawak on 12th – 14th October, 2023.

The Tripartite Bar Games (TBG) is an annual sports event organized in turn by Advocates Association of Sarawak, Bar Council and Sabah Law Society, the three recognized statutory bodies and association representing all practising lawyers in Malaysia. It is a highly anticipated event as it provides a rare opportunity for all lawyers in Malaysia to gather and to get to know each other better over friendly sports events. Ever since it was first held, it continuously receives good reviews from all lawyers as not only that it provides an opportunity to foster our relationship, more importantly, it shows that we have placed importance in sports as a healthy lifestyle to our hectic and stressful practicing life as lawyers.

Further to the above, as the TBG 2023 will held for the first time in Bintulu and being a small branch within Sarawak we humbly wish to invite your esteemed law firm to support our event and take up a sponsorship package and in exchange we shall endeavour to promote your esteemed law firm to our participants and audiences during the event. It is expected that the total number of participants is 250 persons.

The summary of the sponsorship packages that we offer are as follows:-
