Advocates Association of Sarawak

President's Report For the year 2024

Delivered at the Annual Delegates Conference 2024

Introduction

- 1. I am pleased to present the 3rd Report of the President. The 1st Report was delivered to all members by email on 22nd February 2023, the 2nd Report was delivered during the Annual Delegates Conference ("**ADC**") on 9th December 2023.
- 2. How we decide on the matters during this Delegates Conference will have a lasting impact on the Association and on the practice of law in Sarawak hence, with the overriding importance of this conference entrenched under Clause 25 (a) of the Constitution, I hope all delegates attend the ADC with the full understanding of their respective roles. At this juncture, I declare that apart from chairing committee meetings, I have no voting rights during the ADC or EDC, and thus, all decisions are made by the delegates from the respective branches.
- 3. The Association through the Central Committee and the Branch Committee undertakes a wide range of activities in accordance to the Objects and Powers of the Association as set out under Clause 3 of the Constitution.

Note: A "tick" denotes that a committee member had attended the meeting and a "blank" denotes that the committee member was absent with apology.

- 7. Attending and participating in Central Committee meetings is an integral part of the workings of the Association, and it is my hope that the next Central Committee members would offer themselves or take up positions in the subcommittees and perform their responsibilities accordingly.
- 8. The Association also utilizes the Central Committee Chat Group as a means to discuss and decide on certain urgent matters. Thereafter, the issues decided upon shall be ratified in the Central Committee Meetings.

Administration of the Association

- 9. The members would note that at present, the Association is operating from the Bar Room in the Miri Court Complex. We are grateful to the Association's Miri Branch in welcoming the Central Committee's use of its Bar Room, and we also acknowledge the assistance and the support rendered to the Central Committee over the years by the Kuching and Miri Bar Room.
- 10. The Association operates its administrative responsibilities through the Secretariat. The Secretariat comprises of the President together with the Honorary Secretary Mr. David Teo, the Assistant Secretary Ms. Christine Lim and Ms. Ina from the Bar Room these individuals are the bedrock to the Association, where they manage the day-to-day functions of the Association, a role which includes a wide range of responsibilities from

reviewing of the papers submitted for your Practicing Certificates to organising meetings/engagement sessions and following up with the relevant authorities/court on pending matters.

- 11. One of the biggest tasks for the Secretariat is reviewing the LONO applications filed by Advocates in Sarawak. I am sure members can imagine the volume of paperwork the Secretariat has to vet through for each LONO application, where are at least **8-10 pages** for each application, multiplied by **1075** number of practicing advocates. No small feat.
- 12. I cannot stress how important the role of the Secretariat is to the Association, and I would like acknowledge their hard work and unwavering commitment to the Association.
- 13. The tasks completed by the Secretariat is listed in the Honorable Secretary's Report tendered at Committee Meetings.
- 14. On the status of legal practice of our members, I am pleased to report that there were 1075 practicing certificates issued in 2024, whereas the Roll of Advocates have reached 1949.
- 15. The Bar Room in Miri has employed the following support staff:
 - a. Razina Binti Jinal; and
 - b. Melissa Audrey Binti Vincent Buyun.
- 16. The Association's Branches consist of the Kuching Branch, Sibu Branch, Bintulu Branch and Miri Branch where the branches operate their own bar rooms to cater for their respective members. I believe that the report of the Chairman of each individual branch has been tendered during the respective branch AGM.

Opening of the Legal Year 2025 - Kuching Sarawak

- 19. OLY 2025 was announced to be held in Kuching during the OLY 2024 in Kota Kinabalu, Sabah. I had personally communicated the decision of the Association that the AAS Sibu Branch agreed to host the OLY 2025 to the Judiciary, however, we were informed that the Judiciary had decided and hence the announcement for the program to be held in Kuching in 2025.
- 20. The National Symposium on Islamic Banking and Finance 2025 is to be held on 11th to 12th January 2025 with the collaboration with the Association of Islamic Banking Institutions Malaysia (AIBIM).
- 21. The OLY is a significant event for advocates and the Judiciary marking the opening of the new legal term. The OLY 2024 event in Kota Kinabalu was very well supported by the members of the SLS where we were informed that there were at least 500 local advocates participating in the ceremonial processions and the Gala Dinner. Since there are more practicing advocates in Sarawak, we should be more than able to produce a higher turnout and it is my sincere hope that our members would participate and support the OLY events in Kuching 2025 from the 9th January 2025 to the 12th January 2025.

Welcoming Dinner	9 th January 2025
OLY 2025 Procession	10 th January 2025

OLY 2025 Gala Dinner	10 th January 2025
National Symposium on Islamic	11 th to 12 th January 2025
Banking and Finance 2025	

22. I record that the AAS Kuching Branch had communicated their mandate from the AGM 2023 that the OLY 2025 is to be hosted by a branch other than Kuching Branch. During the EDC on the 03.08.2024, Kuching Branch has reiterated their stand and informed that the Kuching Branch will encourage their members to attend and participate in the OLY 2025. Subsequently, the Association's Sibu Branch and Bintulu Branch took up the task of co-organising the OLY Gala Dinner and National Symposium on Islamic Banking and Finance on behalf of the Advocates Association of Sarawak.

Bar & Bench Relations

23. Over the past years, the Association has held a strong relationship with the Bench, which is a testament of the event organised together. We hope that this tradition would be continued by the newly elected Branch Committees. Some of the events include OLY 2023, the Bar & Bench Games in Sibu and Bintulu, the Community Outreach Program in SK Batu Bungan – Mulu, the Niah Caves Conservation Program, Young Lawyers and Pupils Workshop in Kuching, the Re-Sentencing Workshop with REPRIVE in Kuching and the Tripartite Bar Games 2023 in Bintulu – where such events were jointly organised with the Judiciary and/or members of the Judiciary participated in the same.

ADR in Sarawak

- 24. As previously reported, we take cognisance that there is an inevitable move towards ADR, where such move includes a proposal to amend the Rules of Court 2012 to include a mandatory provision for all cases to be sent for mediation before such cases proceed to hearing/trial. BHEUU is also reviewing existing laws to include the Singapore Convention on International Mediation to be implemented in Malaysia.
- 25. On the front of an ADR centre in Sarawak, we were briefed that the cabinet has approved the setting up of AIAC Sarawak and recently, we were informed that BHEUU is in the midst of preparing formal documents on the setting up of AIAC Sarawak. The matter is pending at governmental level and we look forward to hearing further updates.
- 26. Recently, our members have also set up the Sarawak Institute of Arbitration & Dispute Resolution (SiDAR) which is led by retired High Court Judge Datuk Yew Jen Kie where this organisation is declared to be "an institution dedicated to advancing and fostering the practice of Alternative Dispute Resolution (ADR) in Sarawak", where they "strive to create an environment that encourages fellowship, professional development, and the exchange of

knowledge among ADR practitioners". In my opinion, the Association should support SiDAR in any meaningful way as it is our combined interest to advance the practice of ADR in Sarawak.

LONO

- 27. This has become a hot topic among Advocates in Sarawak. Following an inquiry made by a member, I had on 2nd February 2024 issued an email to share the information we had regarding the LONO requirement. Yang Arif Leonard David Shim had also shared, during the Townhall with CJSS held in Kuching, that the imposition of LONO was introduced during Yang Arif's tenure as the President, but stated that it was raised for the purposes of funding the Inquiry Committee. However, the Secretariat is unable to source for documents/minutes to confirm any of such restrictions. The secretariat has gone through the available records and have located an email issued by AAS Central dated 03.12.2014 enclosing the email from the then Registrar of the High Court of Sabah & Sarawak, Tuan Ismail Brahim, where I note that AAS Central had informed all members that AAS Central will be charging a fee of RM50 for members and RM100 for non-members for verification. There were also two further letters from the Registrar of the High Court of Sabah & Sarawak dated 08.11.2016 and 07.11.2017 - copies of which are enclosed to this report collectively as "A".
- 28. Hence, the requirement of LONO was carried forward from the past committees over the last 10 years.
- 29. Although the Central Committee received its mandate to increase the LONO fees, the decision to raise the same has been stayed pending the other pressing issues concerning the Association which are issues with deregistration and Statutory Body. The e-LONO on AAS website is ready and members will have the option of submitting application through e-LONO on AAS website for PC2026.
- 30. Another issue which recently occurred is the "K" requirement in the LONO forms. This was an administrative request to aid the Secretariat in obtaining up to date information regarding the applicants' status in Sarawak to ensure that the applicants fulfil who are non-Sarawakians continue to maintain their individual Sarawak Connections. A example of why this request was made is the Chen Jie case where the court had found him to have "Sarawak Connection" subject to him being married to his Sarawakian Wife, whereby his status is now changed after this recent divorce. Hence, there is good cause for the request of this information to keep the Secretariat updated.

It is necessary to distinguish between the following 2 items:

- (1) Admission as an Advocate of the High Court of Sabah and Sarawak in the State of Sarawak.
- (2) Issuance of Practicing Certificate to practice as an Advocate in Sarawak.

As you may all know, non-Sarawakians are primarily admitted as an Advocate based on their marriage to a Sarawakian. The marriage itself serves as a Sarawak Connection. However, admission as an Advocate does not give rise to an automatic entitlement to a Practicing Certificate. As prescribed by Immigration Laws of Sarawak, a non-Sarawakian, if not having been granted a permanent residency in Sarawak, would require a professional pass to practice as an Advocate.

Another live issue is where the Secretariat have come across an Advocate who in the past had relied on his marriage to a Sarawakian to maintain his Sarawak Connections to obtain his Practicing Certificate. After a change in his marital status and upon inquiry from the Secretariat, he was constrained to obtain a professional pass to apply for the issuance of LONO.

Therefore, it cannot be interpreted that once a non-Sarawakian is admitted as an Advocate, you are automatically qualified to practice. AAS have been entrusted by the Judiciary to carry out this exercise of vetting all Advocates LONO applications including the non-Sarawakians. By this entrustment of the Judiciary through the directive of the then CJSS and upon our obligation to our members and the State Government, we are constrained to carry out the duties accordingly as we are answerable to both the judiciary and our members.

The above examples are non-exhaustive.

- 31. I would also like to refer members to the judgment by Tan Sri David Wong Dak Wah on Portia Tham's admission as annexed to this report as "B" where Tan Sri stated that:-
 - "... That said, this does not mean that the Petitioner is entitled to obtain a practicing certificate in the state as of right. This is simply an application of the immigration law in the state of Sarawak. anyone who is not a Sarawakian cannot work without the relevant work permit. Any person who is not a Sarawakian and wants to obtain the practicing certificate must possess a certificate of status (work permit)."

[emphasis added]

32. I also refer to the recent publication in the newspapers where it was reported that the "Sarawak Immigration Department will stop issuing long-term social visit facilities to Malaysians from peninsular Malaysia living in the state upon

the death of their Sarawak-born spouse or upon their divorce" which is annexed to this report as <u>"C"</u>. This information was communicated at the winding-up the debate in the Sarawak Legislative Assembly by the Minister in the Premier's Department Datuk Seri John Sikie Tayai.

- 33. The Secretariat is guided by the relevant laws and regulations in Sarawak and perform its duties within the parameters prescribed thereof.
- 34. The Association's stand in safeguarding Sarawak Advocates' interest is in line with the rights we are seeking under Malaysian Agreement 1963.
- 35. Nonetheless, considering limitations in the earlier LONO forms as highlighted by the Hon Secretary on 05.12.2024, I will raise this issue as a matter for discussion during the ADC 2024 under AOB.

YBGK

- 36. YBGK pledges were introduced by YAA Tun Richard Malanjum (the then CJSS) in 2015. Since then, all pupils admitted to the bar are required to sign and declare a pledge to the Chief Judge of Sabah & Sarawak that upon admission that they shall complete 20 YBGK cases within the first 12 months of practice.
- 37. During our dialogue with the Judiciary this year, we were inquired on the low number of YBGK cases taken up by advocates in Sarawak despite the pledges given during admission and non-fulfillment of the pledge. Thereafter, the Secretariat had noted that a number of advocates had persistently been asking for extension of time to comply with their pledges, despite having been admitted to the bar for more than 9 years.
- 38. Thus, the Association is constrained to monitor the pledges and update the same to the Judiciary. The key point here is that the pledges are given to the Chief Judge of Sabah & Sarawak to be completed within 12 months from admission and at present, it is the Association that has been granting extension of time to advocates to comply with their pledges.
- 39. However, since the issue of YBGK pledges have become an issue, I will raise the same during the ADC 2024 under AOB for delegates to consider.

45. I record the Central Committee's and my sincerest appreciation and thanks to all the named representatives of the AAS above whom had taken their time to represent and assist the Central Committee in the admission and exemption hearings.

Recognition of the Association

46. Members would note that from the list of engagements under paragraph 18 above, that the Association has started being recognised by international Bars and organisation as the sole and exclusive organisation in Sarawak

concerning Advocates. At present, the Association has been in active engagements with our counterparts from the United Kingdom, Singapore, Hong Kong and Brunei.

47. The list of meetings/events also shows that the Association is now been consulted more frequently than previous years for matters concerning amendments to the laws in Malaysia to even matters concerning the lifting of moratorium to set up law faculties in Sarawak.

Conclusion

- 48. In closing, I would like to express my gratitude and my appreciation to all the committee members for their hard work over the 2024 period. To our members, I thank you for your passionate support of the Association and its activities for an Association is only as strong as its active members.
- 49. I hold strong that I have served the Association to the best of my abilities despite all the limitations and hurdles set before me. In fact, the active committee members have served with tremendous personal and professional sacrifice where we served with 'fire on our backs'. With that, I conclude my term as the President of the Advocates Association of Sarawak. I leave it to the delegates to democratically elect the next President and Central Committee to serve you all.

Thank you.

Gurvir Singh Sandhu

President of the Advocates Association of Sarawak 2022-2024

Please note also that the AAS will be charging a fee (RM50.00 for members and RM100.00 for non-members) to conduct the verification exercise.

RE: RENEWAL OF PRACTICING CERTIFICATES

In relation to the above matter, please be informed that all advocates must apply for and renew their practicing certificates for the year 2015 on or before 12 December 2014.

If there is any delay in submitting their applications, advocates are to provide the Court with a written explanation for the delay. A copy of the written explanation must also be forwarded to the Advocates Association of Sarawak (AAS).

- 2. The Right Honourable Chief Judge of Sabah & Sarawak, Tan Sri Datuk Seri Panglima Richard Malanjum instructs that a copy of each submission to the Court must also be extended together with all supporting documents to the AAS for verification purposes, which includes checks with the Insolvency Department, Inquiry Committee and any other relevant authorities.
- 3. The AAS is required to give its views within 14 days upon receipt of such application. The Court will take into consideration the views given by the AAS before issuing any practicing certificate.
- 4. Every application must be supported by the following documents:
- A bankruptcy search issued by the Insolvency Department in respect of the advocate applying for the practicing certificate:
- (ii) An Accountant's Report in compliance with Rule 16 of the Advocates Accounts Rules 1988. In relation to the accountant's report, please take note of the following.
- The Accountant's Report should be for the last accounting period of the advocate's legal firm immediately prior to his/her application (ie. Ending 30 June 2014 at the earliest).
- The Accountant's Report should be signed by an approved company auditor as defined in the Companies Act 1965 (not just any accountant).

- c. The Accountant's Report should state clearly whether the advocate named is the sole proprietor, partner or legal assistant of the legal firm concerned;
- d. Applications for renewal of practicing certificates should not be accompanied by audited accounts.
- e. Applications supported by an undertaking to deliver audited accounts and/or the Accountant's Report will be rejected.

Thank You.

KCH-18-36/8-2018 PORTIA THAM ONG LENG

and the Advocates Association of Sarawak relies on the 1 letter issued by the Registrar of the High Court of Sabah 2 and Sarawak dated 29th March 2018. This letter concerns 3 an application to commence pupillage in Sarawak by one 4 Stephanie Radha Ong Kesavan. That application was rejected on the ground that she did not have a certificate of б status. Having considered the respective submissions, I am of the 3 9 view that the Petitioner had acquired the relevant Sarawak connection to be admitted to the Sarawak Bar. 10 In respect of the letter by the Registrar, it is my view that 11 that letter does not apply to the situation before me. That 12 letter was correctly issued by the Registrar as anyone who 13 wanted to commence his or her pupillage must have a 14 work permit. Without it the pupillage would be tainted 15 with illegality and any application to be admitted as a 16 member of the Bar would be viewed by the Court with 17 severe consequence. There is no evidence before me that 18 when the Petitioner started her work here in 2008 that she 19 did not possess the relevant certificate of status. Hence, I 20 dismiss the objection raised by the Advocates Association 21 of Sarawak and the State Attorney General's Chambers. 22 That said, this does not mean that the Petitioner is entitled 23 to obtain a practicing certificate in the state as of right. 24 This is simply an application of the immigration law in the 25 state of Sarawak. Anyone who is not a Sarawakian cannot 26 work without the relevant work permit. Any person who 27 is not a Sarawakian and wants to obtain the practicing 28 certificate must possess a certificate of status (work 29 permit). So, I order accordingly. To 4.12.2018 @ 9.00 30

KUCHING, May 13 — The Sarawak Immigration Department will stop issuing long-term social visit facilities to Malaysians from peninsular Malaysia living in the state upon the death of their Sarawak-born spouse or upon their divorce, Minister in the Premier's Department Datuk Seri John Sikie Tayai explained today.

He said if they intend to continue living in Sarawak, they can apply for other long-term pass facilities, such as an employment pass or temporary work visit pass if they are working in the state.

"For those aged 60 and above, they can apply for a long-term social visit pass facility under the elderly policy.

"If they are newly married to Sarawakian citizens, they can re-submit their application for a long-term social visit pass facility under the couple policy to a Sarawak Malaysian citizen," Sikie said when winding-up the debate in the Sarawak Legislative Assembly.

Sikie also said that the state government is in the final stage of developing a Foreign Workers Transformation Approach (FWTA) System.

He said currently, it is in the midst of a pilot test which started in January this year.

"The pilot exercise is expected to end next month, and a full-fledged implementation is expected by the year's end," he said,

He said the state government is undertaking a digital transformation initiative in relation to the management of the immigration and labour matters, and to provide efficient service delivery to stakeholders, industry players and the people.
